

Contract Type	Description of Service
8 x 5 Support Plan - Cardiology Products	<p>1. 8 x 5 Telephone Support. Company shall, 8 hours a day, five days a week, provide reasonable telephone support in the operation, planned maintenance and corrective maintenance of Equipment covered by the Agreement. Company does not warrant that telephone support alone will be sufficient to resolve Equipment issues.</p>
	<p>2. Remote Diagnostics Support. Company shall, subject to all necessary software, hardware and phone lines being installed at Customer's site, provide reasonable remote electronic (dial up, VPN, tunnel) support in the corrective maintenance of the Equipment. Company does not warrant that telephone support alone will be sufficient to resolve Equipment issues.</p>
	<p>3. Discount for On-site Preventive Maintenance Coverage. Company shall provide the agreed upon discount from the customer's normal list price for any travel, accommodation or labor requested to complete the manufacturer's recommended maintenance of the Equipment. On each such service, Company will service the Equipment in accordance with the manufacturer's then current Maintenance Guide for such equipment.</p>
	<p>4. Discount for Preventative Maintenance Parts used by Field Service Engineer. Company shall provide the agreed upon discount from the customer's normal list price for any replacement Spare Part required to complete planned maintenance recommended by the Equipment manufacturer. Such replacement Spare Part shall have equivalent function and performance as the original Spare Part, when new. Company reserves the right to use a refurbished part as a replacement Spare Part.</p> <p>"Spare Part(s)" mean replaceable spare parts used in the Equipment and listed in the Company Spare Parts Price List. Spare Parts do not include disposable or user parts that must be routinely replaced, items listed in the Supplies & Accessories Price List, or computer products or peripheral devices not manufactured by Company or produced on Company's behalf. Any original Spare Part for which Company has supplied a replacement Spare Part shall become the property of Company.</p>
	<p>5. 08:30AM – 05:00PM On-site Corrective Maintenance Coverage. Company shall, upon Customer's request and within the above hours local time, provide any travel, accommodation or labor required to complete, at Customer's site, required corrective maintenance. Customer agrees to promptly notify Company in writing or by phone of any Equipment failure which may require corrective maintenance for non depot-repair only items (e.g. Flat Screen Displays, Telemetry Transmitters and ABP/Holter Recorders).</p>
	<p>6. Return To Depot Corrective Maintenance Coverage. Company shall, upon Customer's request and within Company's normal working hours, provide at Company's site any labor needed to complete required corrective maintenance. Customer agrees to promptly notify Company in writing or by phone of any Equipment failure which may require corrective maintenance and secure an RMA number to facilitate the Equipment's return. Customer shall be responsible for all freight and insurance charges in shipping the Equipment to Company; Company shall pay all return shipment costs.</p>
	<p>7. Corrective Maintenance Repair Parts Coverage. Company shall, upon Customer's request and within 08:30AM – 05:00PM local time (or 24x7 if agreement includes 24x7 On-site Corrective Maintenance Coverage) provide any replacement Spare Part needed to for corrective maintenance. Such replacement Spare Part shall have equivalent function and performance as the original Spare Part, when new. Company reserves the right to use a refurbished part as a replacement Spare Part.</p> <p>"Spare Part(s)" mean replaceable spare parts used in the Equipment and listed in the Company Spare Parts Price List. Spare Parts do not include disposable or user parts that must be routinely replaced, items listed in the Supplies & Accessories Price List, or computer products or peripheral devices not manufactured by Company or produced on Company's behalf. Any original Spare Part for which Company has supplied a replacement Spare Part shall become the property of Company.</p> <ul style="list-style-type: none"> • If Agreement does not include a "Corrective Maintenance On-site Coverage" Option the following requirements shall also apply: <p>Customer shall determine, at its own direction, whether Equipment requires a Spare Part and which Spare Part is required. Company will ship a replacement Spare Part to Customer as Company's expense and soon as possible, usually within one (1) working day after Company receives a written request from Customer for a replacement Spare Part. Unless expressly agreed otherwise, such replacement Spare Part shall be delivered</p>

	<p>by Company FOB point of shipment. Title to and risk of loss of the replacement Spare Part shall pass to Customer at point of shipment. Company will incorporate into such replacement Spare Part all mandatory hardware and software changes that have gone into effect with respect to such Spare Part since the original Spare Part was installed by manufacturer. Customer is responsible for proper installation of such replacement Spare Part into the Equipment. Customer shall remove the original Spare Part and return it within thirty days to Company's repair facility at Customer's cost, properly packed and, in the case of printed circuit boards, sealed in anti-static bags. Any original Spare Part that is not properly packaged or shows evidence of unauthorized repair will be returned to Customer at Customer's expense, and Customer will be invoiced at the full list price for the replacement Spare Part.</p> <p>Certain Spare Parts have programmed devices ("EPROMs") that determine the operational features of the Equipment in which they are used. Replacement Spare Parts will be shipped with EPROMs containing the minimum feature set offered for the Equipment they go into. If Customer has purchased other than the minimum feature set it is Customer's responsibility to remove the EPROMs from the original Spare Part prior to shipment to Company and replace the EPROMs in the Replacement Spare Part</p> <p>Company may terminate this Agreement immediately upon notice to Customer without opportunity for cure if Customer returns as an original Spare Part a Spare Part which was removed from equipment not covered by this Agreement.</p>
	<p>8. Safety Updates. Company shall provide any travel, accommodation, labor and Software required to complete, at Customer's site between the hours of 8:30 a.m. and 5:00 p.m. local time, any Updates which Company determines are required to maintain safe Equipment operation. Company shall support the quantity of such Software licensed to Customer as of the date of this Agreement; later obtained additional licensed copies of the Software will be supported only upon further agreement of the parties.</p> <p>"Software" means software and/or firmware which is manufactured by and supplied to Customer by Company. "Update" means all modifications, changes and enhancements which Company elects to incorporate into and make part of the Software and does not separately price or market.</p>
	<p>9. Discount on Post Implementation Interface Support. Company shall provide the agreed upon discount from the customer's normal list price for any travel, accommodation or labor required to complete customer requested updates to the interfaces established between Spacelabs' products and peripheral third-party systems.</p>
