Subscription Services and Software Terms

1. Agreement. The terms of the Customer Quotation and these terms (collectively the "Agreement") cover the provision of Software (as defined below) and services on a subscription basis by Spacelabs Healthcare (the "Subscription Services"). Any additional or different terms, including terms in any purchase order, will be of no effect unless expressly accepted in writing by Spacelabs. Spacelabs' performance will not, under any circumstances, be deemed Spacelabs' acceptance of any of the terms and conditions contained in any Customer document. Customer's issuance of a purchase order or other Customer document to procure the Subscription Services, or use of the Subscription Services, will be deemed to constitute Customer's subscription to the Subscription Services and acceptance of this Agreement.
2. Grant of Rights.
 - 2.1. The term "Software" means firmware, standalone software, and updates, upgrades, or new versions of such Software as are provided by Spacelabs to Customer on a subscription basis. Subject to the terms and conditions of this Agreement, and subject to full and timely payment of all subscription and other fees owed hereunder, Spacelabs hereby grants to Customer and Customer hereby accepts a limited, non-exclusive, non-transferable, and revocable right to access and use the Subscription Services, the Software, and the associated Documentation (as defined below), in each case for Customer's own internal business operations during the Term of this Agreement. Any person who uses or accesses the Subscription Services, the Software, or any component thereof (including via a user interface) shall constitute a user of the Subscription Services. Customer may access and use the Software and Subscription Services by not more than the number of devices, beds, and authorized sites specified in the Customer Quotation ("Authorized Access"). Customer shall take all steps necessary to ensure that no person or entity shall have unauthorized access to or use of the Subscription Services or the Software.
 - 2.2. The terms of this Agreement apply to all enhancements, modifications, variations, revisions, updates, supplements, add-on components, and replacements for the Software and Subscription Services (collectively, "Updates") that Spacelabs may provide or make available for the Software and Subscription Services, subject to any additional terms provided by Spacelabs applicable to such Updates. Spacelabs has no obligation to and nothing in this Agreement may be construed to require Spacelabs to create Updates.
 - 2.3. Where Spacelabs will host the Software and Customer Data, Customer will receive the Subscription Services and access and use the Software only via remote access to an environment or environments hosted by Spacelabs or one or more third parties designated by Spacelabs.
3. Term; Deactivation, and Termination.
 - 3.1. The term of this Agreement will commence upon the earlier of Customer's issuance of a purchase order or other Customer document to procure the Software and Subscription Services, acceptance of the Software and Subscription Services, or initial payment for the Software and Subscription Services, and will continue until terminated in accordance with this Agreement (collectively the "Term")
 - 3.2. Thereafter, subject to Section 3.4, the subscription will automatically renew for the same period as the Initial Subscription Period (each, a "Subscription Renewal Period") unless terminated in accordance with this Agreement. For example, if the Initial Subscription Period is three years, then each Subscription Renewal Period shall also be three years. The term "Subscription Period", as used herein, means the Initial Subscription Period plus any Subscription Renewal Periods.
 - 3.3. Spacelabs may, in its reasonable determination, deactivate and/or temporarily suspend access to the Subscription Services or a portion thereof, if continued use of the Subscription Services by Customer or its users may result in harm to the Subscription Services (including the security of the systems used to provide the Subscription Services) or other Spacelabs customers, or the rights of third parties.
 - 3.4. Either party may terminate this Agreement for convenience at the end of the Initial Subscription Period or the Subscription Renewal Period, as the case may be, by providing written notice to the other of its intent not to renew at least thirty (30) days prior to the last day of the Initial Subscription Period or Subscription Renewal Period, as the case may be.
 - 3.5. Either party may terminate this Agreement for cause upon written notice to the other party of that party's failure to perform any of its duties or obligations hereunder and failure to cure such default within 30 days' of written notice from the non-defaulting party specifying the occurrence or existence of the default.

- 3.6. Upon the termination of this Agreement: (i) Customer will immediately deliver to Spacelabs or destroy all Documentation (as defined below) provided by Spacelabs in connection with the Software and Subscription Services; (ii) refrain from further use of the Software and Subscription Services; and (iii) pay all fees due for use of the Software and Subscription Services through termination.
- 3.7. If Customer requires access to the Subscription Services to export and retrieve its Customer Data after the effective date of termination, Customer may extend the Term for up to 90 days by notifying Spacelabs at least 30 days prior to the effective date of termination and paying the applicable fees for such extension. Subject to the foregoing, Spacelabs will have no obligation to maintain or provide any Customer Data. At the end of such Term extension Spacelabs will deliver to Customer or destroy all Customer Data.

4. Price; Payment.

- 4.1. The fee for the Subscription Services and Software licensing is as set forth in the Spacelabs Customer Quotation. Unless otherwise set forth in an agreement executed by Customer and Spacelabs (e.g., an equity subscription agreement), such fee shall be payable in advance for each 12-month period during the Subscription Period with payment due thirty (30) days after date of invoice. If Customer orders any Subscription Services additions or upgrades during the Term, the price for such additions or upgrades will be prorated for the remaining portion of the then current year of the Term. The fee for the Initial Subscription Period is fixed for the entire period. Spacelabs reserves the right to raise fees by not more than 5% for each Subscription Renewal Period by providing written notice to Customer at least sixty (60) days prior to the last day of the Initial Subscription Period or Subscription Renewal Period, as the case may be.
- 4.2. If Customer's actual usage of the Software or Subscription Services during any month of the Subscription Period exceeds the Authorized Access provided for by the Agreement, Customer will be invoiced and shall pay on a monthly basis for such overage at 20% more than the monthly Authorized Access rate ("Overage Fees").
- 4.3. Customer shall pay Spacelabs interest on past-due amounts payable under this Agreement at a rate equal to one and one-half percent (1.5%) for each month payment remains delinquent. All fees are accountable and payable in U.S. Dollars. Customer's obligation to pay the fees for the Subscription Services and Software will continue during any such period of suspension. Spacelabs further reserves the right to impose a reconnection fee in the event Customer's access is suspended and subsequently reconnected. Customer agrees to pay collection expenses and legal fees incurred by Spacelabs in collecting past due balances. Subscription Services upgrades and add-ons may be subject to an additional charge.

5. Support and Other Services

- 5.4. Customer acknowledges and agrees that Customer's use of the Subscription Services is subject to all applicable laws and regulations. Customer acknowledges and agrees that the reliability, availability, integrity, and performance of resources accessed through the internet or other services connected to the Subscription Services are beyond the control of Spacelabs and are not warranted or supported by Spacelabs.
- 5.5. Spacelabs may change the Subscription Services at any time. If such changes to the Subscription Services materially diminish the functionality of the Subscription Services, Customer will have the right to terminate the subscription for the Subscription Services by providing written notice to Spacelabs within 10 days of the changes and will receive a prorated refund of the fees paid by Customer for such Subscription Services for the remainder of the subscription term. The termination right and refund described herein is Customer's sole and exclusive remedy for Spacelabs' change to the Subscription Services.

7. Customer Data.

- 7.1. The term "Customer Data" means: (i) any content, materials, data, and information that Customer or its users enter into the Subscription Services; and (ii) Customer-specific data that is derived from Customer's use of the Subscription Services (e.g. Customer-specific reports) as long as such derivative work is not a component of the Subscription Services itself or furnished by Spacelabs under this Agreement.
- 7.2. As between Spacelabs and Customer, Customer owns all rights, title, and interest in and to all Customer Data, and will have sole responsibility for the legality, reliability, integrity, accuracy, and quality of the Customer Data. Customer grants to Spacelabs and its subcontractors and agents the nonexclusive right to process Customer Data for the sole purpose of and only to the extent necessary: (i) to provide the Subscription Services (including without limitation preparing backup copies or performing penetration tests); (ii) to verify Customer's compliance with the restrictions set forth in this Agreement if Spacelabs has a reasonable belief of Customer's non-compliance; and, (iii) as otherwise set forth in this Agreement.

Customer authorizes Spacelabs to process the personal data contained within the Customer Data in accordance with the applicable data protection provisions. Spacelabs agrees to process such personal data in accordance with Applicable Data Protection Law. In circumstances where the making available of the Subscription Services by Spacelabs to Customer involves either: (i) a transfer of personal data from a location in the European Economic Area ("EEA") to a location outside the EEA; or (ii) remote access to personal data located in the EEA from a location outside the EEA, Spacelabs shall ensure that measures are put in place to ensure adequacy of the transfer and protection of personal data as necessary to comply with Applicable Data Protection Law. In circumstances involving a transfer of personal data from a location in the EEA to a location outside of the EEA, all transfers shall only be made: (i) using contracts between the parties incorporating the European Commission's approved data export clauses (referred to in the Data Processing Addendum as the Model Clauses) but only for so long as such clauses are deemed to be in compliance with Applicable Data Protection Laws; (ii) to a country declared as ensuring an adequate level of protection, or (iii) as is otherwise consistent with Applicable Data Protection Law. The limited warranties set forth in this Agreement are made for Customer's benefit only. The remedies in this Section 9 are the sole and exclusive remedies for breach of these limited warranties.
- 9.3. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, SPACELABS AND ITS SUBCONTRACTORS AND SUPPLIERS MAKE NO WARRANTY OR REPRESENTATION THAT CUSTOMER'S ACCESS TO AND USE OF THE SUBSCRIPTION SERVICES OR SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, AND SPECIFICALLY DISCLAIM ANY AND ALL OTHER WARRANTIES, WHETHER WRITTEN OR ORAL, EXPRESS OR IMPLIED, WITH RESPECT TO THE SUBSCRIPTION SERVICES OR SOFTWARE, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY, NON-INFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE.
10. Intellectual Property Rights; Ownership. Except as expressly licensed to Customer herein, Customer agrees that all right, title, and interest in and to the Subscription Services, Software, and Documentation, including without limitation, all copyrights, trade secrets and other intellectual property rights pertaining thereto, will remain vested in Spacelabs; and as between Spacelabs and Customer, Spacelabs shall own and hold all intellectual property rights in and to the Subscription Services, Software, and Documentation. - 11.3. THE PARTIES ACKNOWLEDGE THAT THE LIMITATIONS OF LIABILITY SET FORTH IN THIS SECTION 11 AND IN THE OTHER PROVISIONS OF THIS AGREEMENT AND THE ALLOCATION OF RISK HEREIN ARE AN ESSENTIAL ELEMENT OF THE BARGAIN BETWEEN THE PARTIES, WITHOUT WHICH SPACELABS WOULD NOT HAVE ENTERED INTO THE AGREEMENT. SPACELABS' PRICING REFLECTS THIS ALLOCATION OF RISK AND THE LIMITATION OF LIABILITY SPECIFIED HEREIN.

Spacelabs shall defend, indemnify, and hold Customer harmless from and against any third-party claim of United States copyright or trade secret infringement caused by the Subscription Services, Software, or Documentation, provided that Customer promptly notifies Spacelabs in writing of any such claim and allows Spacelabs to control, and fully cooperates with Spacelabs in, the defense of any such claim and all related settlement negotiations. In the event the Subscription Services, Software, or Documentation becomes, or in the opinion of Spacelabs is likely to become, subject to a valid claim of infringement under any United States intellectual property right of a third-party, Spacelabs may, at its sole option and expense, procure for Customer the right to continue using the affected Spacelabs Subscription Services, Software, or Documentation, replace or modify the affected Subscription Services, Software, or Documentation so that it does not infringe, or terminate this Agreement and refund the fees paid by Customer for such Subscription Services attributable to the remainder of the Initial Subscription Period or Subscription Renewal Period (starting on the date Customer reported the infringement). - 12.2. Customer Indemnity. Customer shall, at its expense, indemnify and hold harmless, and at Spacelabs' request defend, Spacelabs and its parents and assigns (and its and their officers, directors, employees, representatives, and agents) from and against any and all claims, losses, liabilities, damages, settlements, expenses, and costs (including, without limitation, attorneys' fees and court costs) which arise out of or relate to: (i) any breach (or claim or threat thereof that, if true, would be a breach) of this Agreement by Customer, including, without limitation, any breach or alleged breach of any representation or warranty of Customer; (ii) any negligence or intentional misconduct of Customer or any officer, director, employee, representative, or agent of Customer; (iii) the negligence or intentional misconduct of any operator (or supervisor(s) of any operator) using the Software, Subscription Services, or Documentation; (iv) Customer Data (except to the extent such claim arises from Spacelabs' use of Customer Data in violation of this Agreement); or (v) any claim for intellectual property infringement or misappropriation related to any use or operation (including in combination with hardware or software not sourced by Spacelabs) of the Software, Subscription Services or Documentation to the extent that the Software, Subscription Services, or Documentation has been modified or altered by Customer in any way, or is used in combination with any other hardware or software not sourced or provided by Spacelabs, or is used in a manner that does not comply with this Agreement or the Documentation.
